

All in the golden afternoon

Verse 1.

Little bread and butterflies kiss the tulips  
And the sun is like a toy balloon  
There are “get up in the morning glories”  
In the golden afternoon.

Verse 2.

There are dizzy daffodils on the hillside  
Strings of violets are all in tune  
Tiger lilies love the dandelions  
In the golden afternoon.

Bridge

There are dog and caterpillars  
and a copper centipede  
Where the lazy daisies  
love the very peaceful life they lead.

Verse 3.

You can learn a lot of things from the flowers  
For especia’ly in the month of June  
There’s a wealth of happiness and romance  
All in the golden afternoon.

*(Repeat from beginning)*

Alone in the Universe

**Solo 1**

*There are secrets on a leaf,  
In the water, in the air,  
Hidden planets, tiny worlds, all invisible!*

**Solo 2**

*Not a person seems to know  
Not a person seems to care  
There is no one who believes a thing I say.*

**Solo 3**

*Well, I’m fairly certain  
At one time or other,  
Great thinkers all feel this way.*

**Verse 1**

I’m alone in the universe  
So alone in the universe  
I’ve found magic, but they won’t see it.  
They all call me a lunatic  
Okay, call me a lunatic  
If I stand on my own, so be it.

**Chorus 1**

‘Cause I have wings.  
Yes, I can fly  
Around the moon and far beyond the sky  
And one day soon, I know there you’ll be  
One small voice in the universe  
One true friend in the universe  
Who believes in me.

**Verse 2**

I’m a lone in the universe  
so alone in the universe  
my own planets and stars are  
glowing  
No one notices anything  
Not one person is listening  
They don’t have anyway of  
knowing

**Chorus 2**

I have wings (I have wings)  
I can fly (I can fly)  
Around the moon  
and far beyond the sky  
Well, someday soon  
you will hear my plea  
Part 1: One small voice in the  
universe  
Part 2: One true friend in the  
universe

**WAIT**

BOTH: Please believe in me

**INSTRUMENTAL**

**Chorus 3: ALL**

I have wings  
and I can fly  
around the moon  
and far beyond the sky

You called my name  
and you set me free  
One small voice in the universe`  
One true friend in the universe...

**WAIT**

Who believes in me \_\_\_\_\_

Verse 1

Anything can happen if you let it  
Sometimes things are difficult, but you can bet it  
Doesn’t have to be so  
Changes can be made  
You can move a mountain if you use a larger spade.

Anything can happen it’s a marvel

You can be a butterfly, or just stay larval

**Stretch your mind beyond fantastic**

**Dreams are made of – strong elastic**

Take some sound advice and don’t forget it

**SLOWER** Anything can happen if you let it.

Verse 2

Anything can happen if you let it  
You won’t know a challenge until you’ve met it  
No one does it for you  
No one but yourself  
Vacillating violets get left up on the shelf.

Anything can happen, raise the curtain

Things you thought impossible will soon seem certain.

**Though at first it may sound downish**

**See the world more – upside downish**

Turn it on its head the pirouette it.

Anything can happen if you let it.

Bridge

If you reach for the stars  
All you get are the stars  
But we’ve found a whole new spin  
If you reach for the heavens  
You get the stars thrown in.

Outro

**Anything can happen if you let it.**

## The Greatest Show (FINALE)

Woah X10

Ladies and gents, this is the moment  
you've waited for (woah)  
Been searching in the dark, your sweat  
soaking through the floor (woah)  
And buried in your bones there's an ache  
that you can't ignore  
Taking your breath, stealing your mind  
And all that was real is left behind

Don't fight it, it's coming for you,  
running at ya  
It's only this moment,  
don't care what comes after  
Your fever dream,  
can't you see it getting closer  
Just surrender 'cause you feel the feeling  
taking over

It's fire, it's freedom, it's flooding open  
It's a preacher in the pulpit  
and you'll find devotion  
There's something breaking  
at the brick of every wall,  
it's holding All that you know

So tell me do you wanna go?  
Where it's covered in all the colored lights  
Where the runaways are running the night  
Impossible comes true, it's taking over you  
Oh, this is the greatest show

We light it up,  
we won't come down  
And the sun  
can't stop us now  
Watching it come true,  
it's taking over you  
Oh, this is the greatest show

colossal we come these renegades in the  
ring (Woah)  
where the lost get found  
in the crown of the circus king

Don't fight it, it's coming for you, running  
at ya  
It's only this moment,  
don't care what comes after  
It's blinding,  
outshining anything that you know  
Just surrender 'cause you're calling and  
you wanna go

### **CHORUS**

**Where it's covered  
in all the colored lights  
Where the runaways  
are running the night  
Impossible comes true,  
intoxicating you  
Oh, this is the greatest show  
We light it up, we won't come down  
And the sun can't stop us now  
Watching it come true,  
it's taking over you  
Oh, this is the greatest show**

It's everything you ever want  
It's everything you ever need  
And it's here right in front of you  
This is where you wanna be (this is where  
you wanna be)  
It's everything you ever want  
It's everything you ever need  
And it's here right in front of you  
This is where you wanna be X2

### **CHORUS X2**

'Cause everything you want is right in front  
of you  
And you see the impossible is coming true  
And the walls can't stop us (now) now, yeah  
This is the greatest show (oh!)  
Repeat to fade

### Fantasy

Every man has a place;  
In his heart there's a space,  
And the world can't erase his fantasies.  
Take a ride in the sky,  
On our ship, Fantasi;  
All your dreams will come true right away.

*And we will live together,  
Until the twelfth of never,  
Our voices will ring forever, as one.*

### Intro 2

Every thought is a dream,  
Rushing by in a stream,  
Bringing life to the kingdom of doing.  
Take a ride in the sky  
On our ship, Fantasi;  
All your dreams will come true miles away.

*Our voices will ring together,  
Until the twelfth of never  
We all will live love forever, as one.*
